Why volunteer at mecwacare?

There are many reasons why people volunteer at mecwacare. You will become part of an important team that partners with the elderly and people with a disability to live fulfilling and purposeful lives. You will also gain new skills, knowledge and experiences while making a difference.

ABOUT US

mecwacare is a not-for-profit, non-denominational charitable organisation that has been supporting Victorians for more than 60 years. We are a values-based, care-driven organisation that provides residential, community and in-home nursing, care and support services for the elderly and people living with a disability.

mecwacare was founded by a small group of volunteers concerned about the elderly and vulnerable in their local area and formally became the Malvern Elderly Citizens Welfare Association (MECWA) in 1959. In 2007, MECWA changed its name to mecwacare to better represent the organisation's focus as it grew into a major provider of aged care and disability services across metropolitan Melbourne and regional Victoria.
