A welcoming, caring and safe community

Located in the hub of cosmopolitan Prahran, mecwacare's Trescowthick Centre has accommodation for 60 residents, offering single-room accommodation each with an en suite. The charming architecture includes landscaped courtyards which create an inviting and peaceful atmosphere for residents to enjoy.

Residents at the centre live in one of four separate houses each with their own dining room and living room, surrounded by leafy courtyards. The four houses are linked by an internal streetscape featuring a central mall with cathedral glass ceilings, kiosk, library and hairdresser. A communal dining area, smaller living areas and peaceful outdoor courtyards offer flexible daily living.

mecwacare encourages an active lifestyle in safe and comfortable surroundings. We cater for a variety of tastes and special dietary requirements with our balanced and freshly-prepared menu.

A multipurpose community room is the hub for lifestyle activities. The lifestyle and leisure program is designed with input from residents and is based on the ideal of social inclusion - the art and music programs in particular have proven exceptionally popular. A broad range of centre-based activities is on offer as well as outings to Prahran Market and local restaurants and cafes.
