

MICROSOFT OUTLOOK SMART PHONE INSTALLATION WORK INSTRUCTION - DRAFT

OUTCOME	To instruct staff members on how to install Microsoft Outlook on an Apple or Android smart phone and connect their mecwacare email account.
SCOPE	Staff requiring mecwacare email access on a personal smart phone.

PREREQUISITES:

 Multi-factor authentication must be set-up on your smart phone before commencing this process. If you don't have it installed, please refer to the Work instruction or video on the <u>mecwacare</u> <u>internet page</u> or contact the IT department on 03 8573 4815.

• Please ensure you have a good internet connection.

There are four variations to this process, please choose the appropriate option for you:

- 1. I have an ANDROID smart phone WITHOUT Microsoft Outlook installed
- 2. I have an ANDROID smart phone WITH Microsoft Outlook installed
- 3. I have an APPLE iPhone WITHOUT Microsoft Outlook installed
- 4. I have an APPLE iPhone WITH Microsoft Outlook installed

NOTE: Android Smart Phone brands include Samsung, Huawei, Motorola, Google, HTC, LG.

1. ANDROID SMART PHONE WITHOUT MICROSOFT OUTLOOK INSTALLED

On your smart phone, locate the Play store (icon pictured) and open it

Search for Microsoft Outlook and then Install

• Once the installation has completed, **Tap Open**

- On the add account screen, **Type** in your mecwacare email address: <u>firstname.lastname@mecwacare.org.au</u>
- Then Tap continue

- Your account will be added. This may take a little while depending on how many emails etc are in your account.
- The app will ask if you want to add another account, **Tap** maybe later.

• The setup is now complete, and you will now be able to see your emails. If you want to access your mecwacare calendar, use the icons at the bottom of the screen to navigate.

2. ANDROID SMART PHONE WITH MICROSOFT OUTLOOK ALREADY INSTALLED

If Microsoft Outlook is already installed on your smart phone, then you only need to add your mecwacare email account to the application.

• To Add your mecwacare account, locate and Open Microsoft Outlook on your smart phone

• Outlook should open at your personal email inbox. **Tap** on your profile icon in the top left corner of the screen.

• Your folder list screen will be displayed. Tap on the add account icon

• A pop-up will appear, **tap** Add an email account. (Please note the below image could vary depending on your model/brand of phone)

- There are two possible screens that can be seen next.
- Accounts found screen (left): If your mecwacare account is automatically found, it will be displayed here. Ensure it is **selected** then **Tap** Continue.
- Add account screen (right): If your account is not found automatically then you will see the screen on the right. In this case **Type** in your mecwacare email address: <u>firstname.lastname@mecwacare.org.au</u> then tap continue
