# Disability Services

mecwacare has been caring for the Victorian community since 1959 and has a proud history of providing disability services. We provide values-based care to people of all ages who have a disability and have a workforce designed to be responsive and flexible to client needs.

mecwacare's disability services provide programs that offer choice, diversity and active participation for people who have an intellectual, physical, or mental health disability.

We promote community inclusion for our participants by recognising their differing interests and abilities. Our focus is on enabling participants to meet their goals and create a strong support network.

## Up to 35 support programs are available including:

- Life skills development
- Literacy, pre-vocational training and business skills
- Arts and crafts
- Sport and recreation
- Horticulture
- Leisure Options
- Health and fitness, including walking groups
- Personal development

As a registered NDIS provider, mecwacare offer both one-to-one and group-based programs disability services in the community and at our Fisher Street Centre in Malvern East. Clients can access a range of individualised support to assist them to live as independently as possible, strengthen relationships and participate in their local community.

**For more information, please contact our Client Services Supervisor on (03) 9572 9002 or email: [community@mecwacare.org.au](mailto:community@mecwacare.org.au)**
