Serviced Apartment

Serviced Apartment 41 comes with an ideal location that offers both a beautiful view onto greenery below, skies beyond and privacy. The perfect balance of built-in support for those wanting to keep their independence but do away with the hassles of everyday household responsibilities.

This lovely, well designed one-bedroom apartment features an open-plan living and dining space with kitchenette, separate bedroom area, a private balcony looking out over greenery and surrounding area plus split system heating and cooling for all year round comfort. The perfect space to relax, keep doing the things you love and have all the menial tasks done for you.

Breakfast packages are supplied so Residents have the freedom to enjoy their meal at a time of their choosing, whilst luncheons and dinners are served in the Restaurant/Dining Area daily.
